AGENDA

"The Committee may take action on items marked "Discussion / For possible action". Items may be taken out of the order presented on the agenda at the discretion of the chair. Items may be combined for consideration by the Committee at the discretion of the chair. Items may be pulled or removed from the agenda at any time, and discussion relating to items may be delayed at any time. The chair at his discretion may solicit public comment at the time of discussion of any or all agenda items".

Call to order and Roll Call – Verification of Quorum

Item 1: **Public comment**

No action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken. The public may request that items be added to a future agenda. Public comments are limited to two minutes unless the Committee elects to extend the comments for purposes of further discussion. Comments will not be restricted based on viewpoint.

Item 2: **Discussion / For possible action**

Possible Action May Include: Approval of Minutes with possible revisions.

Review of the minutes for the April 13, 2015 Committee meeting for approval.

Item 3: **Discussion / For possible action**

Possible Action May Include: Approval of the Ignition Interlock breath test device (A) and preliminary breath testing device – “PBT” (B) as certified for use in Nevada.

Presentation of the results of evaluation of:

A. Draeger Interlock 7000

NOTE: (A) was requested to be evaluated as a Breath Ignition interlock device.

B. CMI I-500 (preliminary breath testing device – “PBT”)

NOTE: (B) was requested to be evaluated as a PBT (preliminary breath testing device)

Item 4: **Discussion / For possible action**

Possible Action May Include: Submission of request to the Attorney General for clarification regarding verbiage.

Renewal of FAA per NAC 484C.030(2)(c) includes the following language:

“Proof of acceptance as an expert in the field of breath alcohol testing in no less than four courts of law...”

This discussion will address any progress or action required to clarify this requirement. Does this mean four different courts or testifying four times in the same court? Could it be before different judges in the same Justice Court/Municipal Court?

Item 5: **Discussion / For possible action**

Discussion regarding the Purpose, relevance, and history of the Logbook page requirement in NAC 484C.130 and NAC 484C150. Possible Action May Include clarification or initiating change to the Logbook Page.

Item 6: **Discussion / For possible action**

Discuss the possibility of conducting the recertification as an evidentiary breath test operator for Intoxilyzer 8000 as an online recertification program. Possible Action May Include clarification or determining options for software acquisition.

Item 7: **Discussion / For possible action**

Possible Action May Include: Clarification or initiating change to records requirements for calibration, maintenance and repair of instruments.

NAC 484C.080(1) includes the following language:

“Each person who calibrates, maintains or repairs a preliminary breath-testing device shall enter... information on a form approved by the Committee.”

This discussion will address any progress or action required to clarify the records requirement. FAA’s wanted to consider allowing agencies to have their own forms or electronic logs that meet the requirements of the regulation.

Item 8: **Discussion / For possible action**

Future meetings – potential dates

Item 9: **Public Comment**

No action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken. The public may request that items be added to a future agenda. Public comments are limited to two minutes unless the Committee elects to extend the comments for purposes of further discussion. Comments will not be restricted based on viewpoint.

Item 11: **Discussion / For possible action**
