The Committee may take action on items marked "Discussion / For Possible Action". Items may be taken out of the order presented on the agenda at the discretion of the Chair. Items may be combined for consideration by the Committee at the discretion of the Chair. Items may be pulled or removed from the agenda at any time.

AGENDA

1. **CALL TO ORDER (Non-Action Item)**
2. **ROLL CALL, CONFIRM QUORUM, AND GUEST INTRODUCTIONS (Non-Action Item)**
3. **PUBLIC COMMENT (Non-Action Item)** – No action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken. Public comments are limited to three minutes unless the COTI elects to extend the comments for purposes of further discussion. Comments will not be restricted based on viewpoint.
4. **COTI MEETING MINUTES JUNE 3, 2026 (Discussion/For Possible Action)** - The COTI members will review COTI Meeting Minutes from the meeting on June 3, 2026. Possible action may include a decision to approve the meeting minutes.
5. **COTI MEETING MINUTES SEPTEMBER 1, 2026 (Discussion/For Possible Action)** - The COTI members will review COTI Meeting Minutes from the meeting on September 1, 2026. Possible action may include a decision to approve the meeting minutes.
6. **PUBLIC HEARING FOR AMENDMENTS TO REGULATIONS (Discussion/Possible Action Item)** – The COTI members will hold a Public Hearing for possible regulatory changes to NAC Chapter

484C as they pertain to certification/recertification of Forensic Analysts of Alcohol, certification/recertification of operators of breath testing devices, duties of evidentiary breath instrument operators, records for law enforcement agencies using evidential breath testing devices, and related regulations. The proposed amendments are attached to this agenda. Possible action may include the decision to continue the rulemaking process; decision to approve the proposed amendments and move forward with their official adoption; or rejection of the proposed amendments.

- 7. INOXILYZER 9000 UPDATE (Discussion/Possible Action Item)** – The COTI members will request an update from the Forensic Analysts of Alcohol on the process for implementing the Intoxilyzer 9000s. Information related to the current status of the project, next stages, and needs from the COTI may be discussed. Possible action may include approval of actions needed by the COTI to support the transition to the Intoxilyzer 9000s.
- 8. FUTURE NEEDS FROM THE COTI (Discussion/Possible Action Item)** – The COTI members will request feedback from the Forensic Analysts of Alcohol and other stakeholders regarding future needs of the COTI to include possible updates to regulations under the of the COTI, improvements needed to support the evaluation of preliminary and evidential breath testing devices, and other items. Possible action may include approval of items for future COTI meetings.
- 9. REGULAR REVIEW OF BREATH ALCOHOL DATA (Discussion/Possible Action Item)** – The COTI members will discuss if a regular review of Breath Alcohol data would be beneficial to the COTI. Possible data could include the number of Breath Alcohol tests performed, number of calibrations performed, number and type of classes taught, number of officers trained, and other relevant data. Possible actions may include approval of a regular review of data or disapproval of a regular review of data.
- 10.
