

Are You Eligible for an OTS Grant?

The first step in obtaining grant funding is to determine if the project you want to fund is eligible for Federal Funds administered by the Office of Traffic Safety (OTS). Please review the information below before applying to see if your agency and program meet the funding criteria.

Program Areas

- Impaired Driving
- Distracted Driving
- Speeding and aggressive driving
- Emergency Medical Services (crash related)
- Motorcycle Safety
- Occupant Protection
- Pedestrian/Bicycle Safety
- Traffic Records/Roadway Safety
- Young Drivers, Older Drivers
- Community Based Traffic Safety Programs
- Programs to Reach Underserved Communities

If you answer "NO" to any of these questions, it is unlikely your project qualifies for traffic safety funding.

Project Expenses are reimbursed after the grantee pays for them. Funds are intended as "seed money" to start new programs.

If you are a 501c3 non-profit organization, you will need a copy of your 501c3 status certificate.

If you are still unsure whether your project meets the criteria, you may contact our office for assistance at (775)-684-7472 or go to <https://ots-nv.intelligrants.com/> to start your application.
